Handmade to your exact needs

A Hypnos mattress and divan have been designed to work in perfect harmony. Select the most comfortable and supportive bed then tailor it to meet your exact needs – your bed can be as individual as you.

- **Made to measure** – Hypnos can make any size or shape bed to meet your exacting needs. Longer for taller people; wider to accommodate the children as well; a tapered or curved mattress for a yacht berth or a specially shaped mattress with each corner missing for a four poster bed frame.
- **A Personal Design Statement** – Personalise the appearance of your bed from a range of divan and headboard styles to create a stunning bedroom centrepiece with unique finishing touches.

Every divan and headboard is hand-upholstered in one of our beautiful jacquard or faux suede fabrics. Choose our traditional deep divan base and select chrome castors, your preferred feet design or an exquisite divan skirt. Alternatively choose our modern shallow divan and select one of our stand-out designer legs.

The Topper and Mattress

- The sumptuous luxury topper features soft and breathable bonded Hair and Lambswool to regulate body temperature. It is covered with a Wool-infused Belgian Damask and embroidered with the Royal Crest and Hypnos name.
- The matching mattress features hand teased Hair and Lambswool wrapped around a unique hourglass shaped pocket spring system – each geometrically advanced pocket spring provides seamless progressive support.
- Tailored with 3 rows of genuine hand side-stitching for edge-to-edge support, and hand tufted for longevity.
- Choose a Softer, Medium, Firmer or Extra Firm comfort level.

The Divan Base

- The deep divan features a glued and screwed solid timber frame with a row of pocket springs, below a Horsehair and Wool comfort layer.
- Sanderson fabrics – divans and headboards are upholstered in a range of colours to match any interior, creating a stunning bedroom centrepiece.

The Sovereign is shown in this brochure with the Victoria rectangular piped headboard. The deep divan base and headboard are upholstered in Sanderson Ruskin Linden. The combined height of the mattress and divan base from the floor is approximately 77cm.
